

# PARISI

## Our Story

Welcome to PARISI  
PARISI's vision has always been to create and curate the ultimate range of interior products; a range offering a harmonious blend of design and quality.

## History of PARISI

Since the mid 90's, we have been a major supplier of furniture, bathware and doorware objects in Australia and, in recent years, New Zealand, Thailand, Singapore, the People's Republic of China, Cambodia, Bhutan, the Maldives and Mauritius.

Manufactured to the highest standards, PARISI provides superbly designed bathroom sanitaryware and bathroom furniture for domestic and commercial properties. PARISI also selects iconic pieces from our Italian partner brands to showcase design inspiration for our customers. Working closely with our partners such as Art Ceram, Flaminia, Hidra, Newform, Simas, Stocco, Tecla amongst other global brands, enables PARISI to remain at the forefront of global design trends.

## Warranty

We are so confident in the quality and function of our objects that we offer lengthy and comprehensive warranties on vitreous china, tapware, internal workings and door hardware.

# Quality

Designing the best of Italian inspired products, the PARISI brand is tailored to creating beautiful bathroom pieces to complement the Australian lifestyle. PARISI's Italian partner brands are world leaders in design, innovation, manufacturing and sustainability. Made in state-of-the-art facilities, using components and materials sourced from the world's best suppliers, each object in our range combines advanced manufacturing technologies with traditional craftsmanship of professional artisans.

Rigorous design testing and quality controls ensure that PARISI products should function well in excess of our lengthy warranty periods.

# Contracts

PARISI has successfully specified and supplied to numerous high-profile contracts in Australia and the Asia-Pacific region. Our unsurpassed breadth of styles and ranges within our product portfolio enables developers and specifiers to differentiate the 'look' of their various contracts, as well as maintaining value and prestige.

Our expert team can assist in tailoring selections to meet a budget whilst maintaining desired design aesthetic and meet with rigorous approvals standards. PARISI also offer custom solutions to suit contracts large and small.

BOTTOM LEFT, BOTTOM RIGHT  
& BACK INLET

GLOSS WHITE  
VITREOUS CHINA:

**PN760**

### SIDE PROJECTION FLUSHING SYSTEM

Rimless flushing projects a jet of water rather than the traditional flushing mechanism where water pours down the rim. Through the powerful delivery of water maximum cleaning is achieved.

### HYGIENIC RIMLESS DESIGN

There are no hard to reach areas with the new rimless design allowing easy cleaning with a single wipe.

PARISI

FRONT FLUSH  
FOR WALL HUNG PANS  
REQUIRES PUSH PLATE  
WELS 4 STAR  
CODE:  
**PA121**

## LOW LEVEL INWALL CISTERN

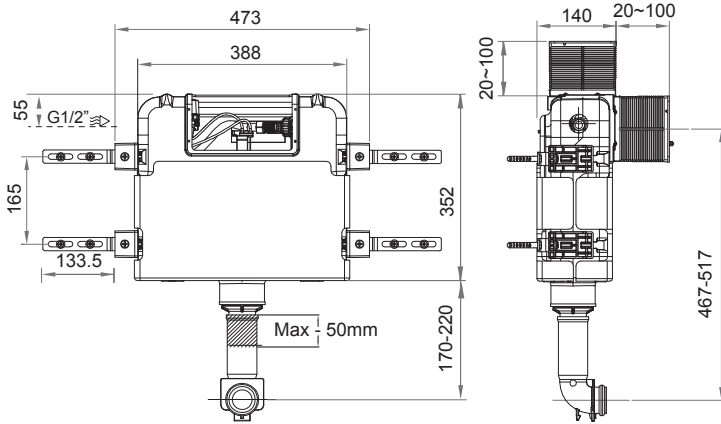

The new "low level" inwall cistern is not as high as standard inwall cisterns. The benefit being they can fit in a smaller space like under a window. They are also cable operated with top or front flush options.

## FEATURES

- Weight tested to 400kg
- Easily maintained with all maintenance is through the front panel with no special access panel required unless you are isolating the push panel (Pneumatic)
- Parts easily replaced and available
- Pneumatic, mechanical or cable operation
- Multiple design and colour options for push panels
- Remote installation with up to 3m for Pneumatic push panels
- WELS 4 star rating 4.5/3L 3.3L average flush
- Made from high density polyethylene
- Wall fixing kit included
- Multiple fixation points for the installer
- All fixations and pipework supplied to install to the soil pipe

**LOW LEVEL

## PUSH PLATES

---

When using the pneumatic option and installing the inwall cistern into a 90mm cavity:

- The cistern can be reversed so the maintenance panel can be in a different room or closet.
- Maximum distance from cistern is 3000mm.
- Installer will need to fabricate the flush pipe if installed remotely.

### ACCESSIBLE BUTTONS

The Accessible Twin Button Push Plate includes raised buttons extending 25mm for ease of use coupled with embossed domes for those with visual impairment. See page 313.

## FEATURES

---

# PURE / RIGA / ARRIVO / LOOM / ABBRACCIO

Parisi furniture provides both optimum craftsmanship and luxurious design. The Pure Italian Carrara Marble top with black industrial style frame exhibits sophistication, while the EleStone bench tops are perfectly complemented by a choice of premium natural veneer joinery, or the unique hand carved black walnut texture of the Loom collection.

### FINGER PULL DRAWERS

Soft-function drawers with finger pull drawer handles add sleek functionality while retaining the clean lines and minimalist aesthetic.

### DRAWER ORGANISER

De-clutter your bathroom with built in drawer organisers. Finished in a dark beautiful wood, internal and external. Available in Abbraccio, Riga, Arrivo and Loom vanities.

### ELESTONE FLAT TOP

EleStone is an Acrylic Premium Solid Surface providing a sleek modern appearance, a seamless surface coupled with non-porous and hygienic properties.

### ITALIAN CARRARA MARBLE

Marble tops are famous for their unique natural beauty and provide an instant focal point in the bathroom. The finish is primarily white in colour with veins of black and grey amongst other subtle tones. Applies to Pure Vanity only.

### MOISTURE RESISTANT MARINE PLY

Parisi cabinets are made from a premium moisture resistant multi-wood marine ply perfect for areas such as bathrooms with constant exposure to water.

### ELESTONE INTEGRATED BASINS

The all in one option with sink integrated within the countertop and produced from the same material. Instead of the sink being an added element, it is built directly into the countertop.

## CABINET FINISHES

Parisi offer unique finishes and textures to complement their designs with solid natural veneers, textured finishes or a harmonising white gloss finish.

### **SOLID MARBLE WASH BASIN**

A stunning centre-piece for your bathroom, the Pure Frame cabinet has a solid marble wash basin which is perfectly complemented by the black industrial style metal frame and white multi-wood premium joinery cabinet.

**Note:** Contact us for availability.

### **ONE OF A KIND NATURAL STONE**

Marble is a natural material, so each vanity basin is one of a kind. Being a product of nature, Marble is prone to variations in colour, shade, texture, density, scratches and chips. It is these characteristics that actually add to the beauty and charm of the material.

**Note:** Please check dimensions before selecting vessel basin. Contact us for availability.

## HAND WOVEN WALNUT

Inspired by the process of weaving cloth, the Loom bathroom furniture range is handmade, with each piece hand-carved, sanded and polished. Every piece is inspected individually to ensure only quality Black Walnut is used and the grain is matched through the process to produce this unique piece of furniture. Also includes matching internal Black Walnut finish and drawer organisers.
