LENTE

Lente Shower Mixer
Finish: Brushed Brass

LENTE

'Lente' Italian for Lens, draws inspiration from the shape and texture from one of photography's greatest assets, the camera lens. With round handles, incorporating a delicate vertical knurl, minimalist elegance meets functional brilliance. Paired with a gracefully curved spout, the smooth lines and subtle contours redefine modern sophistication.

Each piece is crafted with precision and care, ensuring a perfect balance between style and practicality. Ideal for those who appreciate the beauty of simplicity and seek a sophisticated, functional enhancement to their bathroom.
