The Victoria + Albert Barcelona 55 Vessel Basin (550mm x 325mm) is a versatile, designer basin that beautifully sits alongside the Barcelona bath. If you're furnishing a modern domestic bathroom or a commercial space, this basin's sleek design and robust materials will outshine any setting. Available in gloss white and matt white finishes, the Barcelona 55 boasts a chic, minimalist appearance that would suit a variety of schemes.

Made from Victoria + Albert's QUARRYCAST®, a material used to create these highly acclaimed products, this basin is as aesthetically pleasing as it is functional. It is made up of a blend of ground volcanic limestone and resin that yields a tough, smooth, and wear-resistant finish. Its single piece, hand-finished design assures long-lasting beauty and quality. Furthermore, the smallest scratches can be easily repaired and re-polished, a good long-term investment for your bathroom.

The Barcelona 55 is well-suited for residential and light commercial use and can be installed in locations such as hotel kitchens, bathrooms, and laundries, and motel and retirement village bathrooms. And the exterior can be painted or customized as well, which gives even more design flexibility. With a 25-year warranty, you can rest assured that this basin will be giving many years of trouble-free service. Created in South Africa, the Barcelona 55 merges global design capability and the best quality materials to offer superior style and durability for your bathroom or commercial environment.
