No Tap Hole

### Made in South Africa

### British owned and operated

The Victoria + Albert Edge Vessel Basin (450 x 320mm) is a stylish combination of opulent luxury and restrained dimensions, providing an excellent solution for even the most modern bathroom. As with the highly acclaimed iOS range, this basin features many of its popular attributes but with the added benefit of distinctive cubic styling, offering a striking focal point in your room. The clean, geometric lines of the Edge vessel basin offer a modern look while maintaining a time-honored glaze.

Crafted from Victoria + Albert's proprietary QUARRYCAST® material, the Edge basin is made from a combination of finely milled volcanic limestone and resin. The proprietary material is 100% one-piece and hand-finished, giving it added strength and durability without compromising on high-quality finish. The QUARRYCAST® material also allows for easy repair, as surface scratches can be restored and re-polished, maintaining your basin looking brand new for many years to come.

Edge Vessel Basin is tap hole-free, and it can introduce a clean, minimalist look to a variety of bathroom designs. Its dimensions—450mm (L) x 322mm (W) x 110mm (H)—make it suitable for small and large bathrooms, and its light weight of 6kg makes installation trouble-free.

With a 25-year guarantee, this basin will stand the test of time and benefits from exterior painting or customisation, so you can match the look to your style. Made in South Africa, Victoria + Albert Edge Vessel Basin is an upmarket addition to the bathroom with refined style and durable performance.
