Natural Materials

Marble is a product of nature and as such is prone to variations in colour, shade, pattern, texture, density, scratches & chips. All of which are inherent in such natural materials.

Handcrafted and inspired by the process of weaving cloth, the Loom Bathroom Furniture Collection consists of bathroom vanities, mirrors and a matching side cabinet, setting itself apart with its beautiful textured design.

Stylish and sophisticated, the Loom collection is handmade, with each piece hand carved, sanded and polished, then inspected individually to ensure only quality wood is used and the grain is matched throughout the process to produce this unique piece of furniture.
