apaiser

**apaiserMARBLE®**

apaiserMARBLE is a luxurious high performing marble, enriched with the purity of Australian minerals and is made from up to 90% reclaimed marble.

**Hand Crafted**

Every piece of apaiser bathware is created by a team of highly experienced master craftsmen, who have perfected their trade over many years.

**Exceptional Thermal Properties**

While retaining the sensual touch and luxurious feel of marble, apaiserMARBLE material delivers optimum strength, performance and is warm to touch with excellent heat retention.

**Safe and Natural**

apaiser bathware pieces contain minimal man-made ingredients, are non-toxic with no added silica and free from aluminum trihydrate (ATH), so you can enjoy a guilt-free soak in a beautiful, sustainable bath.

**Lighter than Natural Stone**

apaiserMARBLE is lighter than natural stone, while still delivering high performance and increased strength.

**Natural Slip Resistance**

The reclaimed materials that make up apaiserMARBLE give the final products a natural slip resistance while maintaining the luxurious feel of marble.

Like other pieces from the collection, the Soka marble vanity has an in-built tray that can be configured to left or right on the single vanity option and proudly centred on the double vanity variation. Suited for wall mounted applications, this marble vanity also features a cut-out towel rail as a final touch of minimalism and functionality in any bathroom.

Available in two sizes — single and double, the Soka Collection also features a powder vanity, countertop basin, shower base and a Grand and Petit bath, all handcrafted from apaiserMARBLE®.
