One of the best things about the GooGai Junior Toilet is its Super Seat, a robust but child-friendly seat that guarantees to offer a safe and comfortable experience. With a reduced height of 305mm, it's ideal for children, easy to mount and descend from, which makes it easy for them to get on and off. It's a thoughtful touch that ensures a smoother change as they get older, with the ideal fit for children aged between 3 and 12.

In addition to its kid-friendly look, the GooGai Junior Toilet also features an advanced Ultra Clean+ technology, which has been developed by Cotto's R&D. This formula is utilized to kill germs, harden ceramics, and polish the surface with a self-reduction rate of 99% within 24 hours, thereby making it a very hygienic option for kids.

The toilet is equipped with a replaceable lid so that you can choose White, Pink, or Blue color according to your child's preference. The toilet is equipped with a White Gloss Lid by default, and the Pink and Blue lids need to be bought as an accessory.
